FIND YOUR TEAM

High school is a one of a kind experience that shapes and molds all of us. High school is made all the more enjoyable when you find your team. Whether your team is in sports, clubs or academics. Whether you are playing ball, creating art, or just hanging out, having a good team behind you is important. You can win any battle with the right team.

WIN

Go

To start the game, begin the competition, or win the match, you have to start. You have to try. You have to go. Good friends always help though.

Fight

Practice makes perfect. Nobody starts out great. You have to work to be the best. You have to put your all into what you do, and what you love. It's important to never give up and to keep fighting until you are the best.

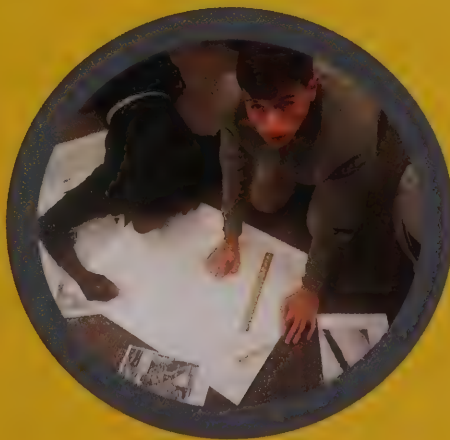

Win

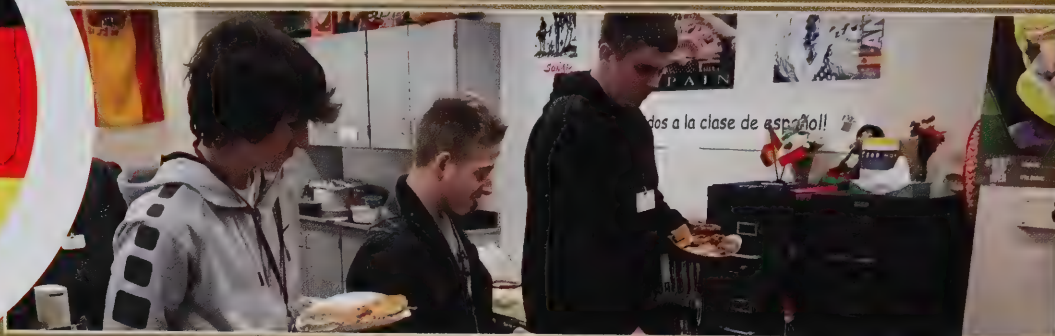

When you are doing what you love you are winning. Follow your passion. Explore what you are good at. Everyone has talents, whether it is math or art. When you practice your passion, you are winning.

"More powerful than the will to win is the courage to begin."

Fight, Win, Celebrate

The 2017 Mishawaka High School Miskodeed is themed after our school's fighting **spirit**. Our school has fought long and hard to be the best. MHS **dominated** in many fields from the Scholastic Art Competition to wrestling where one of our freshmen placed 4th at state. Mishawaka might not always win, but you can be sure that we will be fighting harder than anyone else. Because in the end, every student is a Mishawaka caveman, and cavemen are winners.
